NEW YORK STATE FALL VETERINARY CONFERENCE

September 30 – October 2, 2016
Cornell University | Ithaca, NY

HOSTED BY
Cornell University College
of Veterinary Medicine
& New York State
Veterinary Medical Society

REGISTER ONLINE AT WWW.NYSVC.ORG

HOSTING THE 2016 DONKEY WELFARE SYMPOSIUM

REGISTER NOW! EARLY BIRD REGISTRATION ENDS AUGUST 5
REGISTER ONLINE AT WWW.NYSVC.ORG
Join us for the 9th annual New York State Fall Veterinary Conference, Friday, September 30th through Sunday, October 2nd, on the Cornell University campus in Ithaca, NY. Co-sponsored by Cornell University College of Veterinary Medicine and New York State Veterinary Medical Society (NYSVMS), this annual multi-species, multi-track event has varied lectures and laboratories with up to 22 NYSED/RACE continuing education credits available.

Featured speakers:
- Dr. Doug Mader, an NAVC Speaker of the Year, providing an in-depth program on reptile medicine
- Dr. Roy Pool, renowned bone pathologist, lecturing on bone pathology of small animals
- Drs. Santiago Peralta and Nadine Fiani, offering a comprehensive, three-day, hands-on laboratory-based course on small animal dentistry

Clinical updates on:
- Strangles, seizures in dogs and cats, down cow management, insulin resistance in the diabetic, heat stress in camels
- Emergency medicine fundamentals for the LVT

Practice management topics including:
- Team engagement

For the first time on the east coast, the 4th annual International Donkey Welfare Symposium will be part of the Fall Conference. We are excited for the opportunity for cross-group collaboration with donkey enthusiasts and veterinarians.

Sponsored events within the structure of the conference will include Clinical Investigators’ Day (CID) and the DeeDee Arrison Holistic and Integrative Wellness Series, which are supported by the College and generous donors. This year the DeeDee Arrison Holistic and Integrative Medicine Series will feature Dr. Barbara Fougere who will speak on herbal medicine and its use in oncology.

Our annual festivities will begin Friday evening with the Welcome Reception. On Saturday night, the Cornell University College of Veterinary Medicine and NYSVMS invite you to attend the annual dinner party and awards ceremony at Cornell University’s Statler Hotel.

In addition to enjoying Ithaca on this early fall weekend, you will have the opportunity to see the College expansion progress to date. When completed in the fall of 2017, the new atrium will offer a spacious event space that our exhibitors and participants will enjoy.

As always, we thank our sponsors and exhibitors for their support.

Take advantage of early bird registration discounts and enroll by August 5. Register now online at www.nysvc.org or send your registration form to the College of Veterinary Medicine. See page 18 for deadlines and fees.

We look forward to seeing you in Ithaca, September 30 - October 2, 2016!
PHOTO CONTEST

Send us photos of your veterinarians, technicians or staff at work and in action with patients. Photos that are chosen for future conference marketing will be entered into a drawing for one Spring or Fall 2017 FULL CONFERENCE REGISTRATION. The winner will be announced at the Fall Conference during the Celebration Dinner on October 1, 2016. Submission deadline: September 1, 2016. Winners will be required to submit a release. Send high resolution jpeg to staff@nysvms.org.

Photo credit: Matthew Tyler Giobbi.
CONFERENCE HIGHLIGHTS

NEW THIS YEAR

DONKEY WELFARE SYMPOSIUM
Aiming to teach owners, trainers and veterinarians about the unique aspects of caring for donkeys and their differing veterinary needs, topics will include: dermatology, dentistry, foot care and nutrition. Sunday afternoon the program will conclude with a donkey adoption event. More details on pages 12 and 13.

Friday – Saturday – Sunday | All Sessions

COMPREHENSIVE DENTISTRY LABORATORIES FOR THE GENERAL PRACTITIONER
Drs. Santiago Peralta and Nadine Fiani will offer a three-day companion animal dentistry laboratory course. The topics are: Friday - Oral Anatomy, Periodontal Charting and Periodontal Treatment; Saturday - Dental Radiology: Obtaining and Interpreting Intraoral Radiographs; and Sunday - Regional Anesthesia and Tooth Extraction. Attendance is limited to 12 veterinarians. The cost is $1,200 for the three-day course.

Friday - Saturday - Sunday | 9:00 am – 4:00 pm

GOOD OL’ DOG AND CAT FUND LECTURE SERIES
The Good Ol’ Dog and Cat Fund offers six lectures on Sunday focused on geriatric and palliative/hospice medicine with Dr. Katherine Goldberg. Cornell alumna Helen Blohm created the Fund to support the teaching of geriatric and palliative medicine for Cornell veterinary students and practicing veterinarians.

Sunday | 9:00 am - 4:30 pm

EDUCATION HIGHLIGHTS

EQUINE PROGRAM AND LARGE ANIMAL EMERGENCY RESCUE
This expanded program includes a mix of lectures and laboratories including: managing strangles outbreaks and ultrasound guided injections of the cervical vertebrae. Of special note, Dr. Rebecca Gimenez will present her Command System related to Technical Large Animal Emergency Rescue (TLAER) work in conjunction with the Donkey Welfare Symposium on Sunday. TLAER includes the practical considerations, behavioral understanding, specialty equipment, techniques, methodologies and tactics behind the safe extrication of a live large animal from entrapments in local emergencies and disaster areas. Lectures and labs will focus on the roles of the veterinarian, owner, emergency responders and others involved in large animal rescue operations, as well as emergency and disaster scenarios and response. The TLAER program is included with full conference registration or can be selected for a $250 fee for Sunday only.

Friday - Saturday - Sunday | All Sessions
EDUCATION HIGHLIGHTS

CLINICAL INVESTIGATORS’ DAY
This yearly College-sponsored event highlights clinically relevant research being performed in the College while offering participants free continuing education credit. Sign-up for this limited registration event which will be held on September 30th. Visit www.vet.cornell.edu/clinsci/CID/ for up-to-date details.
Friday | 8:30 am - 5:30 pm

THE CHESTER HARTENSTEIN DVM ’45 MEMORIAL LECTURE SERIES
John Rossmeisl, DVM, MS, DACVIM, Professor of Neurology and Neurosurgery at the Virginia-Maryland College of Veterinary Medicine, will offer six lectures focused on the most common neurologic challenges of dogs and cats.

Established in 2005, this memorial to Dr. Hartenstein, a mixed animal practitioner for 32 years, provides support for an annual lecture that focuses on neurological diseases in small and large animals.
Saturday | 8:00 am – 3:35 pm

THE DEEDEE ARRISON HOLISTIC & INTEGRATIVE WELLNESS SERIES
This series offers a half-day of lectures followed by an afternoon laboratory with Dr. Barbara Fougere, a practitioner, teacher, and co-author of the textbook Veterinary Herbal Medicine. Dr. Fougere will lecture on the potential of veterinary herbal medicine and its use in common veterinary conditions, including cancer support and treatment. Participants in the afternoon laboratory session will formulate herbal products for use in practice. Established in 2010 by Clement and Karen Arrison in memory of their beloved ten-year old Briard, the seminar series strives to strengthen understanding of integrated medicine, which brings together the best of holistic and traditional medical care. This is five free hours of Continuing Education credit.
Saturday | 9:05 am - 3:35 pm

NYS REQUIRED CONTROLLED SUBSTANCES
Fulfilling the triennial NYSED CE requirement for veterinarians and veterinary technicians, the two one-hour lectures will focus on the use, misuse, documentation, safeguarding and prescribing of controlled substances. This is included with the full NYS-VC registration or there is a $75 fee for the two lecture series.
Saturday | 3:55-4:45 PM and 5:00-5:50 pm

EXHIBITOR LUNCHEON
Saturday’s extended lunch is your chance to welcome our exhibitors on their first of two full days. Visit with a wide variety of suppliers while enjoying many special lunch offerings.
BUSINESS HIGHLIGHT

NYSVMS ANNUAL BUSINESS MEETING
NYSVMS members receive a complimentary breakfast at the Annual Business Meeting. Every NYSVMS member who attends will be entered into a drawing to receive a one year membership to NYSVMS - free dues for 2017! There will also be a drawing for a two night hotel stay for the 2017 Spring NYS-VC in Tarrytown, NY. You must be present to win. Please register to receive your breakfast ticket.

Sunday | 7:30 – 8:45 am

SOCIAL HIGHLIGHTS

EQUINE PRACTITIONER LUNCH
Sponsored by the Cornell University Hospital for Animals, this event will provide the opportunity to mingle with peers and hospital faculty, house officers and staff from the Equine and Nemo Farm Animal Hospitals and Cornell Ruffian Equine Specialists.

Friday | 12:30 - 1:30 pm

WELCOME RECEPTION
All participants are welcome to attend the opening reception. Pick up your registration materials in the Veterinary College and then join us for hors d’oeuvres and an opportunity to enjoy a Finger Lakes Wine Tasting.

Friday | 5:30 - 7:30 pm

OTS ALUMNI RECEPTION
The Omega Tau Sigma Beta Chapter at Cornell invites all OTS members attending the NYS Veterinary Conference to attend a reception on Friday evening after the Welcome Reception at the House on 200 Willard Way hosted by the current active members. A short annual business meeting is scheduled for 8:30 pm to report the state of the fraternity to all members and conduct the election of officers for the OTS Alumni Association. Please address questions or comments to Dr. Ned Dykes at nld2@cornell.edu.

Friday | 8:30 pm

DEEDEE ARRISON CONCERT
A lunchtime Concert for the Animals featuring rising stars of the Stradivari Society will be held in the Animal Health Diagnostic Center lobby to complement seminar offerings.

Saturday | 12:30 – 1:30 pm

CELEBRATION DINNER AT STATLER HOTEL
The NYSVMS and Cornell Veterinary Alumni Association will host a dinner party to celebrate award recipients at Cornell University's Statler Hotel. The celebration event begins with wine and local craft beer at 7:00 pm, followed by a buffet dinner. Multiple awards including the NYSVMS New York State Veterinarian of the Year, NYS-VC Outstanding Speaker Award and the Daniel Elmer Salmon Award for Distinguished Alumni service will be presented. Enjoy socializing with colleagues, students and friends in the profession as you dance the night away. There is a separate fee of $60 and attendance is limited.

Saturday | 7:00 – 10:30 pm

### Equine Track

- Osteoarthritis - Management in Compliance with New FDA Rules
  - Heidi Reesink, VMD, PhD, DACVS
- MRI: The Farmer’s New Friend
  - Jonathan Chestham, VetMB, PhD, DACVS
- Postpartum Hyperketonemia and Hypocalcemia
  - Jessica McArt, DVM, PhD
- Medical and Surgical Management of Kissing Spines in the Equine Athlete
  - Jose Garcia-Lopez, VMD, DACVS, DAVCSMR
- Abortions in Dairy Cattle
  - Robert Moeller, DVM, DACVP, DABT
- Diseases of the Cria
  - Sarah Reuss, VMD, DACVIM
- Diseases of Juvenile and Adult Dairy Cattle
  - Robert Moeller, DVM, DACVP, DABT
- Calf Scours and Fluid Therapy
  - Gillian Perkins, DVM, DACVIM

### Bovine Track

- Standing Robotic CT
  - Tom Yarbrough, DVM, DACVS
- Neonatal Diseases of Dairy Calves
  - Robert Moeller, DVM, DACVP, DABT
- Pre-purchase Headaches in the Sport Horse: Can We Predict the Future?
  - John Piggot, DVM, MS, DACVS
- Selected Trans-Boundary Diseases of Livestock
  - Robert Moeller, DVM, DACVP, DABT
- Down Cows - Diagnosis and Treatment
  - Gillian Perkins, DVM, DACVIM
- Diseases of the Cria
  - Sarah Reuss, VMD, DACVIM
- Prudent Use of Antimicrobials on Dairies: A Mastitis Perspective
  - Amy Vasquez, DVM
- Down Cows - Diagnosis and Treatment
  - Gillian Perkins, DVM, DACVIM
- Diseases of the Cria
  - Sarah Reuss, VMD, DACVIM
- Prudent Use of Antimicrobials on Dairies: A Mastitis Perspective
  - Amy Vasquez, DVM

### Camelid Track

- Osteoarthritis - Management in Compliance with New FDA Rules
  - Heidi Reesink, VMD, PhD, DACVS
- MRI: The Farmer’s New Friend
  - Jonathan Chestham, VetMB, PhD, DACVS
- Postpartum Hyperketonemia and Hypocalcemia
  - Jessica McArt, DVM, PhD
- Medical and Surgical Management of Kissing Spines in the Equine Athlete
  - Jose Garcia-Lopez, VMD, DACVS, DAVCSMR
- Abortions in Dairy Cattle
  - Robert Moeller, DVM, DACVP, DABT

### Controlled Substances

- Controlled Substances - Part I - Classification, Legislation & Prescriptions Objectives
  - Amy Morgan, PharmD, RPh
- Controlled Substances - Part II - Record-keeping and Diversion Objectives
  - Amy Morgan, PharmD, RPh

### Veterinary Technician Track

- What Do All these Letters Mean? Breaking Down and Understanding Blood Laboratory Results
  - Karen Basher, LVT
- So Your Pet has the Sugar: Understanding Diabetes and the Risks of Anesthesia
  - Karen Basher, LVT
- Let’s Talk Money – A Review of Compensation and Benefits - Part I
  - Sheila Grosdidier, RVT, MCP, PHR
- Let’s Talk Money – A Review of Compensation and Benefits - Part II
  - Sheila Grosdidier, RVT, MCP, PHR
- Employee Engagement – What it Takes to Have Happy Employees - Part I
  - Sheila Grosdidier, RVT, MCP, PHR
- Employee Engagement – What it Takes to Have Happy Employees - Part II
  - Sheila Grosdidier, RVT, MCP, PHR
- Video lessons: Be an Exam Room Hero - Part I
  - Sheila Grosdidier, RVT, MCP, PHR
- Video lessons: Be an Exam Room Hero - Part II
  - Sheila Grosdidier, RVT, MCP, PHR

### Other Events

- 7:00 - 10:30 pm | Conference Celebration Dinner | Statler Hotel

JOIN US FOR THE 4TH ANNUAL DONKEY WELFARE SYMPOSIUM!

Cornell University’s College of Veterinary Medicine and the New York State Veterinary Medical Society are pleased to welcome the Donkey Welfare Symposium (DWS) to the east coast as part of the 9th Annual New York State Fall Veterinary Conference, September 30 - October 2. For the first time ever, this exciting event will be held right here in Ithaca, NY. This symposium will have two tracks running simultaneously with one track more directed toward veterinarians and the other featuring topics pertinent to all donkey enthusiasts. Both tracks are open to any Donkey Welfare Symposium or NYS-VC full conference registrant.

Donkeys from Peaceful Valley Donkey Rescue will be on site and available for various labs and hands-on demonstrations throughout the event.

HIGHLIGHTS

• Ben Hart from the UK Donkey Sanctuary will demonstrate the donkeys’ unique behavior and provide tips on how to handle them more effectively
• Dr. Joao Rodrigues’ dentistry lab will showcase the nuances of dental procedures on donkeys
• Dr. Karen Rickards will discuss donkey hyperlipemia, an all too common life-threatening disease of donkeys, plus speak about nutrition and preventative medicine
• Demonstrations on proper donkey hoof care and restraint techniques
• Fascinating veterinary cases involving working donkeys told by experts from around the globe
• The story of “Smoke”, the Iraqi donkey, told by retired Marine Colonel John Folsom
• Discussions of donkeys utilized for interventions as “therapy” animals
• Donkey adoption event with Mark Meyers, executive director of Peaceful Valley Donkey Rescue
• Up to 18 continuing education credits are available in the DWS track for veterinarians in addition to 4 equine specific continuing education credits. Veterinary technician credits are noted with shading on page 13.

This Symposium is open to the general public to help educate people about the unique characteristics of donkeys from the medical, behavioral, nutritional and humanitarian perspective. Registration is available online at www.nysvc.org.

Register soon as we are expecting a large number of attendees. More information at DonkeyWelfareSymposium.com.

We have secured a room block with special rates for DWS at the following properties: Best Western University Inn, Fairfield Inn & Suites, and Hampton Inn. Contact information is on page 17. When making your reservations be sure to mention you are with the Donkey Welfare Symposium. Call now!

The Fall NYS-VC offers over 130 hours of continuing education during the three-day event. The maximum CE credit per person is 22 hours. The breakdown of hours per day are as follows: Friday - 8; Saturday - 8; and Sunday – 6.

New York State Continuing Education Credit
The NYSVMS and Cornell University College of Veterinary Medicine are approved New York State continuing education sponsors. Veterinary technicians may only receive CE credit for classes that are within their scope of practice as defined by the NYS Board for Veterinary Medicine. Classes approved for credit for veterinary technicians are listed in purple on the schedule. The Fall New York State Veterinary Conference (NYS-VC) will offer a maximum of 22 hours of continuing education credit to veterinarians and veterinary technicians attending this conference.

Registry of Approved Continuing Education Credit (RACE)
This conference has been submitted (approval pending) for 22 hours of continuing education credit in jurisdictions that recognize AAVSB RACE approval. However, participants should be aware that some state veterinary boards have limitations on the number of hours accepted in certain categories and/or restrictions on methods of delivery of continuing education.

Continuing Education Certificate Procedure for NYS and RACE
Verify your attendance at the conference by signing-in at the registration desk when you pick up your badge and conference materials. You will only need to sign-in once. A CE tracking form will be provided with each conference program book. The Certificate of Attendance will be emailed (or mailed by request) after the conference. If you are selected for a random audit by the NYS Board for Veterinary Medicine, this will serve as proof that you satisfied the mandatory continuing education requirements. Each individual is responsible for maintaining personal records of continuing education for six years from the date of the course.

For further information, please contact the Continuing Education Coordinator in the CVM Office of Continuing Education at 607-253-3200.

VETERINARIANS AND HOSPITAL MANAGERS
Planning on hiring a veterinary associate in the near future? Interested in sharing opportunities for internships, externships or summer jobs at your practice with current veterinary students?

Please join us at Cornell University College of Veterinary Medicine’s annual Career Connections Forum to be held on Saturday, November 12, 2016 from 8 am to 5 pm.

The event is free for veterinary recruiters. Registration deadline is October 15, 2016. Contact Cindy Ryan (cr227@cornell.edu) or 607-253-3700 to register. Unable to join us but have a position to advertise? Please visit our job posting site at: www.vet.cornell.edu/alumni/Announcements/JobPostings.cfm

Friday registration is at the Veterinary College. Saturday and Sunday registration is at Stocking Hall. Upon arrival, please check in at Registration to pick up your program, name badge, meal tickets and to sign in for your CE credit.

**Register Early** at the lowest rate, to improve your chances of admission to labs with limited space and to guarantee your first choice of sessions. Online registration is strongly encouraged. However, you may fax the form to the CVM Office of Continuing Education at 607-253-3198 or mail to S3 009 Schurman Hall, Box 52, Cornell University, Ithaca, NY 14853-6401.

Register by **August 5, 2016** for the best rate.

Please Note: On-site registration includes a $50 surcharge.

**NYS-VC Full conference registration** includes name badge, lectures, selected labs, online proceedings, exhibits, all conference meals and breaks on Friday, Saturday and Sunday and Welcome Reception. Celebration Dinner is an additional fee.

**DWS Full conference registration** includes name badge, lectures, labs, online proceedings, exhibits, all conference meals and breaks Friday, Saturday and Sunday. Also included are Friday and Saturday evening events at Moakley House.

DWS registrants will be given first priority for attending DWS program lectures and labs. Likewise NYS-VC registrants will be given first priority for attending NYS-VC program lectures and labs. DWS and NYS-VC registrants are welcome and encouraged to attend lectures or labs in either program if space is available.

**Guest registration** includes a name badge, refreshment breaks, breakfasts and admittance to the exhibits. Not included are admittance to lectures, labs, or lunches. Veterinarians and veterinary technicians may not register as guests.

**Conference parking** is located in the following locations: B lot across from the Cornell University Hospital for Animals; Peterson lot across from Stocking Hall on the corner of Judd Falls and Tower Roads; and parking lots behind Morrison Hall on Judd Falls Road. Parking is free on Saturday and Sunday with no permit required.

For those attending on Friday, paying for parking has been made easy with Parkmobile. Payment is made with a credit card on-site. Look for the green Parkmobile signs on the light poles in the B lot ([http://www.cornell.edu/maps/](http://www.cornell.edu/maps/)). Go to [http://transportation.fs.cornell.edu/parking/campusparking/visitors/parkmobile.cfm](http://transportation.fs.cornell.edu/parking/campusparking/visitors/parkmobile.cfm) for more detailed information prior to arriving.

**Shuttle Service** The conference will be held at the College of Veterinary Medicine, Morrison Hall and Stocking Hall. Shuttles will be provided during the conference. More details will be sent with preconference information.

**Conference Proceedings** will be available online in advance of the conference. Access information will be emailed with pre-conference information. A USB drive of all proceedings will be given to attendees at registration. Printed copies of the proceedings will not be available.

34TH ANNUAL
GREAT
DOWNTOWN
ITHACA APPLE
HARVEST
FESTIVAL!

Taking place Sept. 30 - Oct. 2, 2016, the Apple Harvest Festival hosts plenty of apples, local produce, fresh baked goods, family entertainment at every turn, games, rides, prizes and live performances on two stages. Apple Harvest Festival is a great introduction to the rich farm and artist community of Ithaca. First time visitors can view local entertainment while also visiting the historical outdoor pedestrian shopping mall, The Ithaca Commons.
Blocks of overnight rooms have been reserved at Ithaca hotels. Please contact the hotel directly and tell them you’re attending the New York State Veterinary Conference. Be sure to make your hotel reservations as soon as possible. Room blocks will fill quickly.
